

ALLPROOF

I N D U S T R I E S

Grate Seal

Prevents the passage of odours, soap suds, noise and vermin from waste pipes and drains

- Does not require a water seal to work
- No more smells or foaming grates
- Easy Installation with no alterations to existing outlets, drainage or tiles

WaterMark
WMKT23002

INSTALLATION

- Remove existing grate from waste outlet where seal is to be installed
- Remove scale from pipe wall
- Insert Grate Seal below grate
- Reinstall grate
- If installing in a smaller waste outlet, trim cone to applicable size and follow procedure above

APPLICATIONS

- Floor wastes
- Shower wastes
- Laundry floor wastes
- Plant room floor wastes
- Domestic - Commercial - Industrial
