

## ALLPROOF INDUSTRIES GRATE VALVES PLASTIC GRATE VALVES FOR TILE/VINYL FLOOR WASTES

### FEATURES:

- Designed to prevent soap suds from rising through the floor waste gully grate
- Can be used where washing machines are run into a floor waste gully and other floor waste areas where rising soap suds are an issue
- Utilizes plastic construction and can be installed after floor waste installation
- Modified to suit tile and vinyl applications
- Can suit various grating options including chrome on brass
- Flooring application and grate type should always be noted when specifying grate valves

Specification Code	Description	Standard Finish
