

# trayrite

Sick of cleaning hair out of your  
*'not so easy to clean'* shower waste?

- Designed to work with the majority of shower bases in New Zealand.
- 80mm Spigot Outlet for multiple installation applications
- No cleaning required - hair and soap residue gunk simply washes away through large diameter pipe and water trap.
- Mechanically fixed clamping ring provides piece of mind for a watertight installation.
- Thick compressive sealing washer seals between tray and body of waste.
- Select either a stylish dome or flat grates in white or chrome.
- Proudly made in New Zealand.
